

Key: V=volume I=issue P=page A=author S=single-author T=article title N=no-first-name F=first name initial only

missing iParadigms URLs is the count of DOIs deposited that lack an iParadigms as-crawled URL (but only for Similarity Check participants, otherwise 0)

* The total number of DOIs for this title

† Article titles in this [excluded title list](#) are not included in this report

Items shown in RED indicate counts greater than 10% of the total for the given title.
